CALL FOR COMPOST!

Support Refugee Gardeners in 2019!

At the Jolly Avenue Garden in Clarkston, Georgia, we provide 125 garden plots where refugee families from Nepal, Burma, and Africa grow food for their families and work to keep their culture and traditions alive.

Last year we lost a significant amount of top soil due to land restructuring, affectively eliminating food production in twenty plots. You can help bring these plots back to life by providing compost. This will put 1,500 lbs of produce back into the community.

We need sponsorships for all twenty plots to start the gardening season in 2019. One plot sponsorship is \$100. Your group is also invited to help dig in the compost you provide at the Jolly Ave Garden!

What: Plot sponsorships

When: By Saturday, February 23

Who: Contact Erin Davenport for details
erin@friendsofrefugees.com

To be a sponsor, you can give online at <https://give.classy.org/callforcompost>; or you can write a check payable to Friends of Refugees and include "for compost" in the memo line and send to P.O. Box 548, Clarkston, GA 30021.
