“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.”

Matthew 25:40

MARY TELLS HER STORY:

As the child of a Presbyterian pastor, we had just enough but not much extra. Like many women of my generation, I became a school teacher, married, raised two children and saved as much money as I could. But my husband died years ago, and even though there is only me now, the dollars saved will not last as long as I had hoped. Health care costs so much more now.

When my health began to decline several years ago, I came to live at a Presbyterian Homes retirement community. At first, I could manage in an apartment and quickly joined the Spiritual Life Committee and became engaged in many of the community's other activities. Serving others gave my life added purpose.

Then, as my needs changed, I transitioned to nursing care. In making that change, it gave me great comfort to know that if my financial capacity was exhausted, *Caring Hands* donations would assure that I would continue to live in a wonderful place, eat delicious food, get tucked in at night by loving and caring staff, receive the therapy and medication that I need ... regardless of whether Medicaid pays for it ... and live a full and rewarding life. *After all, I came to Presbyterian Homes to live, not to die!*

I have seen so many benefit from *Caring Hands* gifts. *Forty percent of our residents receive Caring Hands support*, and you can make a difference! Please help others like me with your *Caring Hands* donation! Every gift is a testimony that you care. Every gift lets us know that we are not forgotten and that our lives count. Together, let's do our best to send our light unto the world to serve by loving others.
